### **Objective**

I am an outstanding student with experience with patient care and customer service. I'm seeking an opportunity to further improve my skills in the medical field and to learn new methods of ensuring that patients get the best possible patient care. I am available for a part-time job and/or a summer internship.

### **Education**

Mission Hills High School  
Graduation Date: June 17, 2015  
Overall GPA: 4.38

### **Honors and Awards**

- Classroom of the Future Scholarship: 2015
- Ford's Salute to Education Scholarship: 2015
- San Diego Indian American Scholarship: 2015
- Mission Hills High School Honorary Cardinal Scholar
- 100+ hours Pin Award (Internship): 2014

### **Clubs and Activities**

- California Scholarship Federation: 2011-present
- National Honor Society: 2014-present
- A.V.I.D. Program: 2011-present
- AP/Honors: Completed ten AP courses and eight Honors courses

### **Community Service/ Work Experience**

- 600+ hours, 2011-2015
- Pathmaker Internship: 2014-present  
I provide patient care and try to make patient's stay at the hospital as comfortable as possible. I give bed baths, provide snacks, ambulate, and aid patients in going to the restroom.
  - St. Mark's Catholic Church/Catechism: 2011-present  
I am teacher's aid and tutor for children at the church, however, I currently also teach some classes when the actual teacher is unable to attend.
  - San Marcos Branch Library: 2011-present  
I help organize books, aid in customer service, and make sure that the library is running as efficiently as possible.
  - Operation Christmas Child: 2011-2014 (every year in November)  
Every year I would buy toys and some necessary utensils to put in a box that would be sent around the world to a child in need.

### **Skills**

Determined, hard-working, and patient  
Bilingual in Spanish and English  
Strong reading, writing, science, and mathematical skills  
CPR Certified  
I know how to operate the Vital Signs Machine  
Computer Skills: Photoshop, Microsoft, PowerPoint
